**NORTHERN WASCO COUNTY  
PEOPLE'S UTILITY DISTRICT**

**SINGLE PHASE SERVICE - Schedule 100**

**AVAILABLE:** Throughout the District's service area in Wasco County.

**APPLICABLE:** Electric service to all single phase customers with a total demand of less than 50 kW.

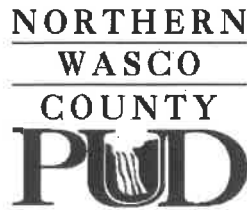

**CHARACTER OF SERVICE:** Alternating current, sixty hertz, 120/240 volts nominal single phase or, if available at the point of delivery, 120/208 volts nominal single phase.

Except that all 480-volt single phase services existing prior to September 30, 2001 with a total demand of less than 50 kW will be billed on this rate schedule. 480-volt single phase services installed after September 30, 2001 will be served under Schedule 250.

**MONTHLY RATE:**

Facilities charge:	\$20.00 per month
Plus:	
Energy Charge:	\$0.0549 per kWh

**CUSTOMER SERVICE POLICY:** Service under this schedule is subject to the District's Customer Service Policy on file and available at the District's office.

**NORTHERN WASCO COUNTY  
PEOPLE'S UTILITY DISTRICT**

**SINGLE PHASE SERVICE - Schedule 105**

**AVAILABLE:** Throughout the District's service area in Wasco County.

**APPLICABLE:** Electric service to all single phase customers with a total demand of less than 50 kW. Demand meter being used to acquire demand, but not used in calculation for monthly charges.

**CHARACTER OF SERVICE:** Alternating current, sixty hertz, 120/240 volts nominal single phase or, if available at the point of delivery, 120/208 volts nominal single phase.

Except that all 480-volt single phase services existing prior to September 30, 2001 with a total demand of less than 50 kW will be billed on this rate schedule. 480-volt single phase services installed after September 30, 2001 will be served under Schedule 250.

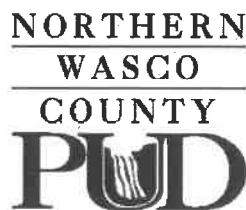

**MONTHLY RATE:**

Facilities charge:	\$20.00 per month
Plus:	
Energy Charge:	\$0.0549 per kWh

**DEMAND:** Demand is the average kilowatts delivered during the 30 minute period in which the use of energy is the greatest during the month for which the determination is made.

**CUSTOMER SERVICE POLICY:** Service under this schedule is subject to the District's Customer Service Policy on file and available at the District's office.

Adopted: April 25, 2017  
Effective: On accounts billed after May 1, 2017

**NORTHERN WASCO COUNTY  
PEOPLE'S UTILITY DISTRICT**

**SINGLE PHASE SERVICE - Schedule 110**

**AVAILABLE:** Throughout the District's service area in Wasco County.

**APPLICABLE:** Low income residential customers age 60 and over or disabled, in accordance with Federal LIEAP income and eligibility guidelines\* for all domestic uses.

**CHARACTER OF SERVICE:** Alternating current, sixty hertz, 120/240 volts nominal single phase or, if available at the point of delivery, 120/208 volts nominal single phase.

**MONTHLY RATE:**

Facilities charges: \$18.00 per month

Plus:

Energy Charge: \$0.0494 per kWh

**CUSTOMER SERVICE POLICY:** Service under this schedule is subject to the District's Customer Service Policy on file and available at the District's office.

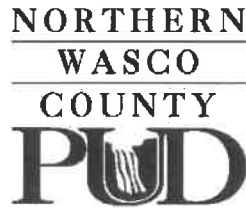

\* Current income guidelines are 100% of Federal poverty guidelines or less and up to 60% of the Oregon State median income, adjusted annually. Income to be certified by Mid-Columbia Community Action Council, Inc.
